

Teme Valley Neighbourhood Watch Scheme

The Teme Valley Neighbourhood Watch Scheme covers every household in the area and is supported by Parish Councils, information can be found via the following link - <http://www.neighbourhoodwatchmalvern hills.org.uk>

The idea of the Neighbourhood Watch is just that – to watch, NOT to accost possible or actual villains, and to pass on information that could be helpful to the police, our neighbours, or both. **Our role is to be observant and to report to the police any incident or suspicious activity by dialling 101, and whenever possible providing vehicle numbers and identity details.** It is also helpful to inform Ning Kedwards, the network coordinator, who can disseminate the information on to members of the wider network. **If you require an immediate Police presence for an emergency or criminal situation, please dial 999.**

If you are interested in joining, please send your name, address, telephone number and email address to Ning Kedwards on temevalleynw@Abberley.co.uk. Your information will be kept anonymously in accordance with the Data Protection Act.

Alternatively, if you do not wish to register directly with the Teme Valley Neighbourhood Watch Scheme, you can register with the West Mercia Police Community Messaging System (CMS) and receive messages directly from the Police. Ning Kedwards can provide more information on how to register.

If you want to receive messages via Facebook, you can like our page on <https://www.facebook.com/Teme-Valley-Neighbourhood-Watch-832287480215353/> and you will receive notification whenever a new message is posted.
